

CUSTOMIZED VENDING

Our machines are called **MULTI VENDORS**.

We are able to customize this machine to vend an astonishing range of merchandise – the possibilities are endless, i.e.:

- Personal Protective Equipment (PPE)
- Workshop tools and consumables
- Fresh food
- Cigarettes
- Toiletries
- Health products
- Stationery
- Clothing / Merchandise

Bring samples of your products/merchandise and we will customize the machine to suit your specific vending requirements.

Promote your merchandise by making the products available for display and sale 24/7

Display your merchandise in such a way that it stimulates interest and entices customers to make a purchase.

Coinmech and Notereader come standard with the machine(s).

Cashless systems (at additional cost) available for the machine(s):

- Employee clock cards / fingerprints (biometric)
- Credit Cards
- Integrated Mobile Payment

*With our dedicated team of professionals we can honestly say
we are the experts when it comes to providing customized vending solutions.
We constantly strive to be the company that offers the best service in the industry today.*
